

The very fact that  
sinclair  
broadcasting is  
allowed to own  
and/or control two  
out of the five  
broadcast television  
stations in the  
Pittsburgh market is  
disturbing enough  
for me to file a  
comment with the  
FCC.

To hear that  
Sinclair plans on  
using its control of  
these stations to  
broadcast baldly  
partisan content  
during the crucial  
weeks leading up to  
the most important  
presidential  
election of my  
lifetime does not  
surprise me, but is  
deeply scary  
nonetheless.

Sinclair should be  
held to account for  
its clear disregard  
for its  
responsibility to  
the communities it  
serves and  
bipartisan debate in  
an open society.

Thank you for your  
attention to this  
matter.
